The JADE Foundation was founded in 2009 to honor the memory of **Alex Dobay**, Hawken School graduate, class of 2008, who, after battling cancer for several years, succumbed to the illness at the age of 19. As a member of the Hawken football team and leader in the school community, Alex touched the lives of those he knew in a positive way. JADE stands for Jeffrey Alexander Dobay Entertainment, and is dedicated to enhancing the quality of life for young adult cancer patients by providing entertainment and activities including games, puzzles and snacks that hopefully help to alleviate the emotional and physical stress of lengthy hospitalizations and treatments.
